

March 28-31, 2025
Fukuoka, Japan

ICECC 2025

The 8th International Conference on
Electronics, Communications, and Control Engineering

Graphics Designer

TOPICS

• Track 1: Communication Technologies

Wireless Networks
Wireless Security
Computer Networks
IOT and Cloud Computing
Fuzzy Systems & Soft Computing
Grid Computing / Cloud Computing
High Performance Computing & Networks

• Track 2: Wireless Communications Engineering and Technology

Radio Resource Management and Allocation
Cognitive Radio Networks
Space-Time, MIMO and Adaptive Antennas
Satellite & Space Communications
Multimedia Communications
Channel Model and Characterization
Interference Cancellation and MUD
Cognitive Radio and Software Defined Radio

• Track 3: Control and Automation

Control Theory and Application
Instruments and Vibration Control
Estimation and Identification
Manufacturing Control and Automation Engineering
Fuzzy and Neural Systems
Sensor Networks and Networked Control
Intelligent Automation
Man-machine Interactions

• Track 4: Electronics Technologies

Substrate Embedding & Advanced Flip-Chip Packaging
Design and Analysis of Power Delivery Systems
Digital System and Logic Design
Advance Robotics Systems
Signals and Systems
Wafer-Level CSP & Heterogeneous Integration
Design and Analysis of Power Delivery Systems

For more topics, please check: <https://www.icecc.org/cfp.html>

Publication

All papers will be strictly double blind reviewed by the program committee, and accepted papers after proper registration and presentation will be published in ICECC 2025 conference proceedings.

*The previous conference proceedings have been indexed by **EI Compendex** and **Scopus**.

CALL FOR PAPER

The 8th International Conference on Electronics, Communications and Control Engineering (ICECC 2025) will be held at Fukuoka, Japan during March 28-31, 2025. It is hosted Fukuoka Institute of Technology, Japan.

ICECC 2025 is to publish latest & high-quality research works on Electronics, Communications and Control Engineering in theoretical and practical aspects. Authors are solicited to contribute to the special issue by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances.

ICECC is an annual conference launched in the year of 2018. We had this conference successfully held at Avid College, Maldives in 2018, in Phuket, Thailand in 2019, online (due to COVID-19) from 2020 to 2022, Fukuoka in 2023, and Kuala Lumpur in 2024. It will provide a valuable opportunity for researchers, scholars and some scientists to exchange their ideas face to face together.

Submission

>> Submission Requirements

- Language: English is the official language of the conference; the paper should be written and presented only in English.

>> Submission Types

- Abstract submission for presentation only without publication.
- Full paper submission for both presentation and publication. The full paper should be no less than 4 pages. The maximum paper length is 5 printed pages, including all figures, tables, and references, and extra page will be charged.

>> Submission Methods

- Submit your paper to Online Submission System: <http://confsys.iconf.org/submission/icecc2025>
- Send your paper to email box: icecc.edu@outlook.com.

Simple Program

March 28	10:00-17:00	Onsite Registration & Materials Collection
	09:00 - 12:00	Opening Ceremony & Keynote Speeches
March 29	13:30 - 18:00	Parallel Sessions
	18:00 - 20:30	Dinner Banquet
March 30	09:00 - 12:00	Invited Speeches
	13:30 - 18:00	Parallel Sessions
March 31	09:00-18:00	City Tour

Important Dates

Submission Deadline: October 15, 2024
Notification Deadline: November 15, 2024
Registration Deadline: November 30, 2024
